

Welcome to Consciously Meditating!

Hello!

We are super excited to have you on board with us as we embark on this journey! On the first of next month, we will be starting the 'Consciously Meditating' program. Before we get going, there are a few things that each individual needs to set up in order to get the optimal experience. Each step is imperative and we will walk you through all of them...

Here is a quick video tutorial that will teach you to navigate the program with success:
